This has been characterized as the best early book to emerge about Hollywood. This edition is enlarged by 60 stills, a new introduction by Richard Griffith, and an interview with Mr. Lloyd by H. I. THE SEXY CINEMA

by Marv Strick

For years the cinema has been influential in shaping the level of permissiveness in society—and at times, has been a reflection of it. This title is a readable and serious survey of the changing eroticism in films from the 1890's and the films of Thomas Edison through to the current decade. Included are photographs from the films of D. W. Griffith, De Mille, and more contemporary directors, together with photographs of the famous femme fatales and a commentary that compares their life off screen to their sexy antics before the camera. The book covers not only theatrical films but also specialized cartoon films, short subjects and non-theatrical experimental films.

Terms: All orders mailed on Saturday following the day I receive them. Money refunded if you are not completely satisfied. I pay postage on all orders; you pay for any insurance you want. Everything is packed very carefully. The bid items will go to the first reasonable bid, so don't wait. I want to get rid of all of this stuff, so make offers if you don't like the prices - if I haven't gotten a better offer in a couple of weeks, it's yours. Grading of condition is as close to Overstreet as I can get, and the symbols used are the standard ones.

A '*' next to a number means that the comic was once Roy Krenkel's second copy, and he wrote 'Reading Copy' or 'Duplicate Copy' on the cover (but not on the artwork). These comics are otherwise in very nice condition.

****

1. Space Cards - a complete set of 88 of these bubble gum cards
2. Another set, but missing #'s 33,35,36,47, and 85
3. About 100 leftovers from the first two sets; many holes, many duplicates, plus some other stuff.
4. Norb's Notes - an obscure, probably rare, mimeographed SF fanzine from 1965 & 1966 #'s 84,85,87,89-97 (12 issues)

WHERE DO I FIND THIS JUNK?

Now on to bigger & better things:

5. A scrapbook containing 470 early Superman dailies, plus 16 Superman bubble gum cards from 1940. The scrapbook is tattered, but the strips are all in excellent condition (except #1 which is missing the upper right corner). Contains the following #'s: 1-30,55-66,259-273,275-294,296-300,302-345,347-428, 430-461,463-511,513-543,545-570,572-583,585-608, 610-614,616-656,658-699.
6. Another scrapbook of Superman dailies. Again, the scrapbook is tattered, but all strips are in excellent condition. Contains #'s 1739-1766,1768-1835,1837-1862, 1864-1868,1870-1913,1915-1976,1978-1996,1998-2026, 2028-2062,2065-2078,2080-2138,2140-2147,2149-2175, 2177-2180,2183-2221
7. Another tattered scrapbook with all strips in excellent shape. Contains Superman Sunday tabs #'s 414-455, 23 Alley Oop ½ tabs from 1948, 39 Alley Oop dailies from April & May of 1946, and #'s 278-295 of a strip I'm not familiar with (it has Dr. Huer & Barney - signed by Jack Calkins & Rick Yager).

A Garbage Special

Over 60 comics from the early 50's to the present. Includes Mad Follies #2, some National Lampoons, and some fairly worthwhile stuff (also a healthy supply of garbage). I don't think you'll be disappointed at $10.00 for the lot.

THE MIGHTY MARVEL COMIC BOOK CONVENTION!

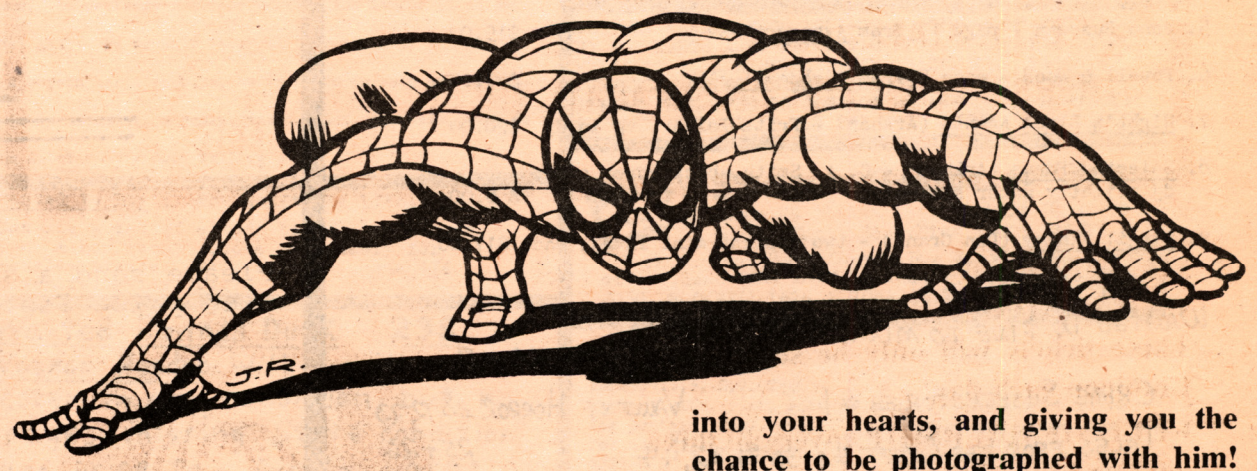
HOTEL COMMODORE - NEW YORK CITY

Okay, gang, this is it! For the first time in superhero history, there's going to be a Comic Book Convention sponsored by the publishers of the most popular, best-selling comic books of all time—*Mighty Marvel!* And you can bet your buckskin booties that it's gonna be the grandest, greatest, goofiest gala event of the season! So come on, you Marvel fans, from Broadway to Yancy Street all across the country! Come and see what a Comic Book Convention is all about! And here's our first sneak preview of our star-studded, slam-bang Big Bash!

First and foremost, you will meet the men and women who produce Marvel comic books! The artists who prepare your stories the way Cecil B. De Mille prepared movies! The writers who supply the never-to-be-duplicated dialogue and the ideas in the books you love to read! The names you've seen on those fabulous stories will be there in person to meet you and greet you—and to answer your questions!

SATURDAY · MAR. 22
★
SUNDAY MAR. 23
★
MONDAY MAR. 24
★
10 AM TO 7 PM
(CLOSE MON. 6 P.M.)

FILMS ON SAT. & SUN. EVENINGS



Naturally, our stellar, super-special guest will be Stan (The Man) Lee himself! And who could be more special than the man who gave us the Mighty Marvel group of comics! Stan will be popping up and popping off during the whole three days, in the middle of the excitement, meeting you and talking to you about what we *all* want to hear about—the Marvel spirit and the Marvel ideas! You'll hear his answers to your questions, and meet the man whose Carnegie Hall extravaganza sold out the house!

★ Nobody enjoys *any* part of a Comics Convention more than the colorful and exciting Costume Parade! And we'll be offering fantastic cash prizes for the best portrayal of a Marvel hero—and of a Marvel villain, so get started on your disguises now!

★ Auctions each day will offer chances to bid on original artwork, personal souvenirs of the Marvel bullpen, comic books old and new, and an odd and varied assortment of Marvel-ous items!

★ Spidey himself, will appear in person and in costume, crawling his way into your hearts, and giving you the chance to be photographed with him! (Well, you'll *need* proof, won't you?)

★ Thousands of requests are made to Marvel each year for information on how to draw, "Marvel-style". Daily demonstrations by our top artists will answer some of these questions, and provide you artists-of-tomorrow with the opportunity for a "Sketch-In",--a chance to follow along with step-by-step instructions. Bring your own sketch pad and pencils!

★ You will have the chance to meet a panel of Marvel writers, who can and will answer questions about how ideas are plotted, scripts are completed, and dialogue developed. Such writers as Roy Thomas, Gerry Conway, and Len Wein will participate.

★ An exhibition of original artwork will provide a close-up look at the dynamic graphics that have made Marvel number one.

★ There will be autograph sessions, and more sights to see, and more of Marvel's all-star team to meet. And each attending member will receive a beautiful Program Book as a souvenir of this unforgettable event!

Be there with us at this first great Marvel Comicon! Don't miss it and later regret it! More and more will be added to the Convention schedule as the big date approaches, providing pleasure and entertainment and excitement—like the Marvel Comics themselves!

ROBERT E. HOWARD MATERIAL.....

A GENT FROM BEAR CREEK - by R.E. Howard - some year ago, Donald Grant Publishers published a 600 copy edition of this book, the only one published during Howard's lifetime (in England). It has long been out of print but is now being reprinted. It is a thick collection of humorous western adventures about Breckinridge Elkins, a hero in typical Howard vein. With new art, this book is due February 1 so should be in stock by the time you read this. A bargain at the price.....$7
ALMURIC by R.E. Howard - Howard's only science fiction novel, this is the first hardcover appearance. A great story, in the Edgar Rice Burroughs tradition, but with all the Howard touches. This is also from Grant publishers, with new art, and is due Feb. 1, so should be in stock by the time you read this....$7
THE VULTURES - by R.E. Howard - two fine western novels, this is a 2nd edition of a book that went out of print in only a few months a few years back. With NEW illustrations by Steve Fabian, this will sell out fast. Also due Feb 1.....$6.95
TIGERS OF THE SEA - by R.E. Howard - at last check with the distributor (around Jan 15) less than 150 copies remained out of the 3500 copy edition of this book!!! It will probably be out of print by the time you read this ad! So if you want a copy of this first edition hardcover, featuring four Howard action stories of the Vikings, better act now. I'll hold to the original price for as long as I have copies in stock, but that probably wont be very long. Be Warned!!!!!!.....$6
THE PEOPLE OF THE BLACK CIRCLE - by R.E. Howard - this book is also in very short supply with the distributor and should be out of print shortly (if not already). This is the collectors Conan (see our note about this at the end of the list) and features the one Howard novel with several color and many black and white interiors by Dave Ireland. A stunning book and one that you'll regret not having if you don't get it soon. Soon to be o.p. so order now.....$15
THE INCREDIBLE ADVENTURES OF DENNIS DORGAN - by R.E. Howard - 10 funny and exciting adventures of a typical humorous Howard hero, a modern sailor and fighter in various ports of the world. Illustrated throughout and with a color dj by Tom Foster. $11.95

Three short novels of fantastic adventure with more than 50 illustrations by MIKE KALUTA, including three color plates. Order now for immediate delivery on publication.....$12.95

WONDERWORLD BOOKS

WONDERWORLD BOOKS · 220 East Broadway, Long Beach, California 90802 · Telephone (213) 436-8172

ALL OF THE BOOKS WE ADVERTISE THIS ISSUE ARE FRENCH-LANGUAGE COMIC ART "ALBUMS" (THE EUROPEAN TERM FOR FULL-LENGTH comic book stories in book form). They're approximately 8½" x 11" (the size of American black-&-white comics), in full process-color, and most are 46 pages or more. American books in the same format would cost at least twice as much.

Most of these books are incredibly beautiful, and all are excellent. The quality of the artwork has to be seen to be believed. The color -- vastly superior to American comic book color -- is extraordinary. There is no way that we can successfully portray the beauty of these books and the magnificance of some of the art (Phillipe Druillet's graphic stories are drawn for color, and no black-&-white portrayal of his drawings indicate a fraction of their power, beauty, and imaginativeness). For the most part, the scripts of these stories are as outstanding as the art. But even if one does not read French, most of the books stand on their artwork alone. It is unnecessary in most instances to fully understand the stories to enjoy them.

WONDERWORLD BOOKS is the largest U.S. importer of foreign comic art. We began buying them for our own pleasure when we discovered that in France and Belgium and Italy and Spain and Japan and elsewhere around the world, creators and publishers of comic books were surpassing the American stories and publications. In the U.S. we have some of the most gifted creators of comic books, but few work to the limit of their ability because American comic books are made solely for a very youthful audience. American comic books are cheaply produced on the poorest paper, and the full-process color featured in the best European comics cannot be found in any U.S. comic book.

If you are a comic art fan, a comics writer or comics artist, an illustrator -- whatever your interest in the graphic arts may be -- the brilliance of these books and the books we will advertise in issues to come will amaze you.

—Richard Kyle & Fred Patten, WONDERWORLD BOOKS

IF CHARLES BRONSON EVER STARRED IN AN ADVENTURE SERIES, THIS WOULD BE IT...

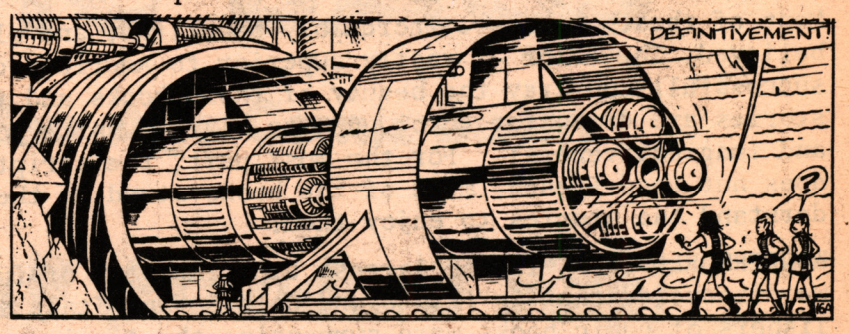
YOKO TSUNO - AVENTURES ELECTRONIQUES. $1.75.

Scenarios & Art by Roger Leloup.

Yoko is a young Japanese electronics technician studying in Europe. Her adventures alternate between s-f and detective plots. This strip is famous for its striking use of color and its meticulous detail in background art. AVENTURES ELECTRONIQUES is an oddity, a collection of six short stories rather than a novel, all but one from the earliest tryout days of the strip (1970-1971). Yoko uses her electronics knowhow and her martial arts skills to stop or solve crimes.



Currently available:

Automotive s-f to rank with such stories as Rick Raphael's CODE THREE, Isaac Asimov's SALLY, David H. Keller's REVOLT OF THE PEDESTRIANS, George Clayton Johnson's THE FREEWAY, and Alice Glaser's THE TUNNEL AHEAD. Special large format.

Luc Orient - LE SECRET DES SEPT LUMIERES. $3.50 Scenarios by Michel Greg. Art by Eddy Paape.

2. LES SOLEILS DE GLACE - $3.25

Now "Fred," artist-writer of the "Philomen" series, HUM, and THE AIR IS FRESH, has scripted a new science fiction tale ...

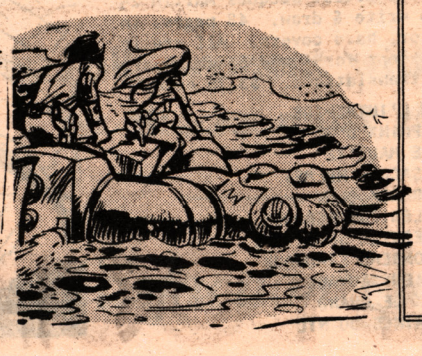
It is just what you'd expect. Well, not exactly..

TIME IS MONEY. $6.50 Scenarios by Fred. Art by Alexis.

"They travel through time for money." A slapstick time travel series. Doddering Prof. Stanislas and dimwitted Timoleon (in his undershirt) try to use the professor's time-travel machine to make their fortunes despite paradoxes, banana peels, and their own ineptitude. Special large format.

THE BIRDS OF THE MASTER, by Mézières & Christin. 5th in the French "Valerian" saga, an award-winning, French language, full color hardcover comic art space opera series. Also available: THE EMPIRE OF A THOUSAND PLANETS, WELCOME ON ALFLOLOL, LAND WITHOUT A STAR. $3.25 each

THE VALERIAN SERIES' great art and incredible color -- and top-flight sf adventure scripting -- are truly remarkable!



PHILLIPE DRUILLET has published four volumes of graphic stories. Each has been a landmark. The three most recent, THE 6 VOYAGES OF LONE SLOANE, its sequel, DELIRIOUS, and the newest of them all, YRAGAEL (said to be based on Michael Moorcock's ELRIC series), are without question among the landmark volumes of the graphic story. The artwork and color is indescribable (the drawings suggest a fantastic mixture of Jack Kirby, George Metzger, and Jim Steranko, but go beyond any real comparison). The text is superb--but it is the art that is so incredibly overwhelming. If you never buy other foreign-language books, you must have these. Only $6.00 each...

BOB MORANE

Bob Morane is the French equivalent of Doc Savage - an atheletic, scientific crimefighter who, with his assistant Bill Ballantine, has adventures all around the world and sometimes, thanks to a time machine, in the past. We don't carry the numerous French paperback novels by Henri Vernes, but we do have the comic-art albums, also by Vernes and drawn by two top French comic-book artists, Gerald Forton or William Vance. 48 pgs. each, in color, in French, hard covers, $3.25 apiece.

1 L'EPEE DU PALADIN
3 LA VALLEE DES CROTALES
5 LE MYSTERE DE LA ZONE "Z"

11 LA VILLE DE NULLE PART
12 L'OEIL DU SAMOURAI
13 LES CONTREBANDIERS DE L'ATOME

RIC HOCHET

The best mystery/detective series in French comics. Ric is a young newspaper reporter whose investigations of murder, robbery, and other crimes are excellent puzzlers, with readers invited to connect the c.ues & solve the mysteries along with him. Suspense, action, and good art make RIC HOCHET a favorite strip with all age levels. 46 pages, hardbound, in color, in French. $3.25 apiece.

CHEVALIER ARDENT

Following PRINCE VALIANT, CHEVALIER ARDENT is one of the finest medieval adventure strips in the world. Ardent is a hot-tempered young knight in a French equivalent of Arthurian England in the year 1000, who slowly matures during the course of his adventures. Artist François Craenhals

has received a commendation from the Knights of Malta for his accuracy in portraying the Middle Ages. 48 pgs. apiece, in full color, hardbound, in French, $3.25 each.

1 LE PRINCE NOIR
2 LES LOUPS DE ROUGECOGNE
3 LA LOI DE LA STEPPE
4 LA CORNE DE BRUME

BARELLI

It's no secret in Europe that TINTIN artist Hergé has been assisted for over a decade by Bob De Moor. Today De Moor is drawing his own strip, in the same popular TINTIN art style. It's an unusual adventure strip featuring Georges Barelli, an actor/impresario whose troupe gets involved with smugglers, hippies, spies, and others seeking to use it as it travels on engagements about the world. 32 pages, in color, in French, softbound, $1.50 apiece.

1 BARELLI ET LES AGENTS SECRETS
2 LE BOUDDHA BOUDANT

PHILOMEN

A psychedelic adventure fantasy, in a sort of Winsor McCay/George Herriman style (though French artist Fred is nobody's imitator). Winner of a number of comic art awards in France & Italy, & a favorite with European fandom. Philemon, a lanky farm boy, gets involved with magic and is cast away on the letter "A" of the Atlantic Ocean. 48 pages each, in color, in French, hardbound, $3.25-apiece.

1 LE NAUFRAGE DU "A"
2 LE PIANO SAUVAGE
3 LE CHATEAU SUSPENDU
4 LE VOYAGE DE L'INCREDULE
5 SIMBABBAD DE BATBAD

"Fred," the byline of one of the world's most brilliant cartoonists and writers, is a humorist for all seasons. The PHILOMEN books burst with life and color and imagination in a way that no other creator's work ever has. No black-&-white reproduction can convey their vitality and humor.

LES TUNIQUES BLEUES - OUTLAW. $1.75.

Scenarios by Raoul Cauvin. Art by Louis Salverius/Willy Lambil.

A humorous adventure series featuring the most incompetent troop of U.S. Cavalry in the West. Sgt. Chesterfield and Cpl. Blutch are court-martialed on trumped-up charges and told to join and break up an outlaw gang if they want to have their reputations cleared. Blutch isn't sure but what an outlaw's life is better than the prospect of returning to serve under Chesterfield. This is the album that Louis Salverius was drawing at the time of his death (the top of page 39 [37A] was the last he finished); the book was completed and the cover drawn by Willy Lambil. Currently available: $1.75

1. UN CHARIOT DANS L'OUEST (A Wagon in the West)
2. DU NORD AU SUD (From North to South)
3. ET POUR 1.500 $ DE PLUS (And for $1,500, Besides!)
4. OUTLAW

OUMPAH-PAH LE PEAU-ROUGE. $3.25 per album; $6.00 the set of two.

Scenarios by Rene Goscinny. Art by Albert Uderzo.

When a teen-age Indian brave and a teen-age French Army officer become blood brothers, the culture shock is almost fatal to their respective families. Back in 1959, Goscinny & Uderzo teamed up to create two humorous fantasy-adventure comic strips, OUMPAH-PAH LE PEAU-ROUGE, set in Canada during its French Colonial days, and ASTERIX LE GAULOIS, set in Gaul in 50 B.C. ASTERIX was such a runaway success that OUMPAH-PAH was soon abandoned so that new adventures of the little Gaul could be produced twice as fast. But OUMPAH-PAH was no failure, and the two albums that were produced are still being reprinted and sold to new readers after fifteen years. Don't miss this opportunity to see Goscinny's & Uderzo's famous ASTERIX-style of humor and art in an unusual setting, with a young French nobleman in a Canadian Indian camp and with a young redskin warrior at the court of Louis XV.

1. OUMPAH-PAH LE PEAU-ROUGE (Oumpah-Pah the Redskin) 2. OUMPAH-PAH ET LES PIRATES (Oumpah-Pah and the Pirates)

BENOIT BRISEFER - LADY D'OLPHINE. $3.25.

Scenarios & Art by Peyo & associates.

Madame Adolphine, the robot grandma bandit, is accidentally reactivated and disappears, to turn up some months later as "Lady d'Olphine", the aristocratic crime boss who has just taken over a wealthy Mediterranean resort principality. Benoit and Mr. Vladavodka travel there to somehow get past her army of gangsters and crooked cops and deactivate her once again.

NOTE: Enclose a stamped, self-addressed envelope so that your check can be returned if the items you order are sold or for confirmation of your order. Postage is 10¢ an ounce these days; Canadians, please add a dime to your order. Our prices include postage, so please do not include any extra for postage with your order. It is not always possible for us to wrap and mail your package right away so do not include extra postage for faster mailing -- we probably won't be able to oblige.

Fanzine advertisement rerun: Don Thompson, 8786 Hendricks Road, Mentor, Ohio 44060

We have been, again, swamped with fanzine orders from our last ad. There will be more ads for several dozen more fanzines, but we have not had time to prepare them as yet. We are rerunning a portion of our last ad, dealing exclusively with our own publications, the only ones of which we had multiple copies.

FANZINES FOR SALE

Don Thompson, 8786 Hendricks Road, Mentor, Ohio 44060 Sale #2

PLEASE include a stamped, self-addressed envelope with all orders; response from our first fanzine sale list was so overwhelming we had to return dozens of checks.

Unless otherwise noted, the fanzines on this list are 20¢ each. The only reason we are selling these is to take some of the weight off our floors and ease our crowded condition. We do not make any guarantees on these fanzines -- many were imperfect when published and all (except our own publications and even some of those) have gone through the U.S. Post Office or Postal Service at least once. We cannot even be sure everything is complete, though we think it is. If we charge more than a buck for anything, we do guarantee it is complete. MINIMUM ORDER $3.

CODE: SF means science fiction fanzine; C means comic fanzine; ERB means Burroughs fanzine; S&S means sword&sorcery; names & dates in parentheses are editor and publication date. Fanzines are amateur publications written, edited, drawn and published by fans.

THOMPSON PUBLICATIONS--CLEARANCE SALE
(All of these were published by us; we have many copies of some of them, only one or two of others. Prices vary widely, very widely.) Nearly all mimeographed.

Ballast Volume 1 #2 (edited by Don while in college, 1960 SF, nothing great) 25¢
Ballast Volume 2 #1 (SF-oriented 1972; natterings on many subjects) 20¢
Ballast Volume 2 #2 (SF-oriented 1973, also C-oriented, this also ran as Rainy Days #44, but with a different cover -- this cover composed of funny headlines) 25¢
Comic Art #5 (art by Aragones, Metzger, Foss, Stewart, Stiles; articles by Lupoff, Larry Ivie, Ron Goulart, Ted White, Steve Perrin, John Boardman; C 1964 rare)$5
Comic Art #6 (art by Ed Wheelan, Jim Cawthorn, Nick Meglin, Dan Adkins, Sergio Aragones, Al Kuhfeld, Steve Stiles; articles by Goulart, Lupoff, Meglin, satires by George Scithers, Roy Thomas; C 1966, rare) $5
Comic Art #7 (this is the most recent and most in demand issue of CA, 1968, with what to date is the widest coverage of Carl Barks--interview by Mal Willits, article by Mike Barrier (much revised for THE COMIC-BOOK BOOK) and a self-portrait by Barks (also in TC-BB), an article on Centaur Publications by R. O'Brien, Harlan Ellison's "Five Dooms to Save Tomorrow," later adapted by Roy Thomas for Avengers #101; art by Aragones, Barks, Howard Boughner, Ken Fletcher, Johnny Chambers, Alan Hutchinson, O'Brien, Stiles, Maggie, Al Williamson)
NOTE: Since we only have a couple of copies and these are only for collectors, we are pricing this very, very high -- IT IS NOT WORTH THIS MUCH! -- $25
Decade of Comics Fan Awards: 1961-1970 (rundown of the Alley, Goethe & Shazam award winners ; includes one-page supplement) 35¢
Dell List (Listing of Dell Special Series Numbers) (1968, the result of a seven-year data-gathering effort and there are still some gaps -- NOTE that all of this information and more is in Overstreet's Price Guide, reprinted from this list with our permission) $1
Harbinger 3 (1961, SF fanzine that started out as an announcement of CA #1) 50¢
How to Survive Comics Fandom (1969, how-to hints from Maggie, the Heloise of comics fandom -- a revised and enlarged version is in preparation to outdate this) 20¢
Newfangles(this was a comics newsletter we did for several years--1967-1971--and which is now completely outdated, of course; it read a lot like our Beautiful Balloons column in TBG. We have no idea what use it could be to anyone today, but the following copies are available for 20¢ each) 11 [redacted] 26 [redacted] 36 37 45 [redacted] 47 48 49 50 51 53 54
Newfangles 20 (extra-large issue including several pages by Bill Blackbeard) 35¢
Rainy Days (published for CAPA-alpha and consisting largely of comments on other members' contributions but with some opinionating on comics; not really of general interest) 2 [redacted] 10 11 12 15 16 18 20 21 22 [redacted] 25 26 28 29 30 31 32 33 34 35 36 37 38 39 41/42(double issue) 43 44(same contents as Ballast Vol 2 #2, but with different cover) 45
Thompson annual family reports -- if you order $3 or more from this ad (not necessarily from our publications) and request it, we will send you an assortment of these if you request such an assortment, while they last.

FANTASY CROSSROADS 2

THE FANZINE FOR FANTASY FANS features:

Fiction by **ROBERT E HOWARD**

"DRUMS OF THE SUNSET" illustrated by **NEAL ADAMS**
This 12,500 word story has never before seen print in one installment. It appeared serially in Howard's hometown newspaper CROSS PLAINS REVIEW in 1928-29. A complete run of those issues does not exist today.

"THE CURSE OF THE GOLDEN SKULL" illustrated by **STEPHEN FABIAN**
This story formed the basis for MARVEL'S CONAN #37. This story has only seen print previously in THE HOWARD COLLECTOR.

Also: HAROLD PREECE'S "THE LAST CELT" (about REH) with a never before published POSTSCRIPT, a KING KULL CHECKLIST illustrated by MERCY VAN VLACK, RONN FOSS and MIKE HODGE, also LETTERS from ROBERT E. HOWARD to HAROLD PREECE. The HOWARD section of FC #2 finishes out with POETRY by REH: "HERITAGE" (two versions one previously unpublished), "ALWAYS COMES EVENING" and "THE POETS" illustrated by FRANK CIROCCO and STEPHEN FABIAN.

What else is in FC #2? An interview with **A J HANLEY**, CHARLETON text artist and caricaturist (amply illustrated by HANLEY),LETTERS to the editor, NEWS NOTES, REVUE RAK, a FAN ART PORTFOLIO featuring the work of JON VICTOR, K.W. RANEY III, RIC CRUZ, SAM DE LA ROSA, DAVID HEATH JR., MERCY VAN VLACK and MARTIN GREIM.

We also added a feature: THE STRIP which contains comic strip/stories by:

RONN FOSS "THE VOLSUNG SAGA"
CIROCCO "TRADER"
R. LYNN "THE SONS OF LIBERTY"

Lot #			Min. Bid	Estimated Value
1.	WDC&S #2	Fair	$100.00	$125.00-200.00

This is a clean book with no brittleness at all and hardly any age discoloration. The inside is solid with the corners rounded slightly from wear. There are no ragged pages. Only one of the staples holds the centerfold in. The only marks on the book are a few minor pencil marks on the cover and a crossword puzzle filled out in pencil on the inside. The cover is loose and rather ragged around the edges and spine but the colors are still bright with some gloss. Ther is a ½"xl 3/4" piece missing from the front cover extending away from the middle staple. This book contains 27pp. of Gottfredson's Mickey Mouse and 21pp. of Donald Duck newspaper reprints. 68pp. in all.

2.	WDC&S #4	Fair	$60.00	$75.00-125.00

This book is similar to #2. The insides are very solid with no brittleness and little discoloration with a tight centerfold and no rust on the staples. One page has a 1" tear and a couple of others have tears of 3/8" or less. The only markings are a crossword puzzle filled out in pencil. The cover is loose but is still brightly colored and somewhat glossy. The edges are not badly worn but the spine is the sad part. About 4" of the spine (on the cover only) is missing but is never more than 1" wide. There are actually three seperate holes at each of the three staples. These holes never extend into the front cover more than ¼" with most of the hole showing from the back. The subscription order form has been filled out lightly in ink on the back cover. This book contains 40pp of Gottfrdson's Mickey Mouse and 10pp. from DD,MM, and Silly Symphonies reprints. 68pp. in all.

3.	WDC&S #50	Fine	$22.00	$32.00
4.	WDC&S #54	Very Good	$12.00	$18.00

Late Arrivals

If I didn't miss the deadline again this ad should be in TBG #78 alongside the ad I had intended to be in TBG #77. If this is TBG #89 refer to #78 for terms and conditions of sale. Please note the lower prices on US 21 and 22. The rest is new stuff. I'm sure many of you are use to automatically taking off a grade or so when ordering from a new dealer to avoid the disappointment of receiving a VG book that was suppose to be FN or even better. I grade accurately and guarantee it with a full money back guarantee.

THE RARE ONES — PART II

These rare comics are great investments for the serious collector or investor. Those marked with an * were bought on the stand at the time of issue, by a man who bought only No. 1 issues, put in an envelope, and never read. Each are beautiful copies with "like-new" covers and pure white pages. Each book is strictly graded and even minor errors are noted. I truly believe some of these are the most beautiful copies in existence outside of private collections, and many are possibly unique in this condition.

Terms: $100.00 down will hold any purchase for 90 days. For those who desire it, I will send the book to your bank for approval along with a letter instructing the bank to return it if you are not satisfied, or draft your account for the full price if it is acceptable.

As usual, refunds will be made for any reason if books returned within seven days after receipt.

ROAD RUNNER'S SIGNS STUMP WILE E. COYOTE
... signs teach children simple words on "The Electric Company"

By BETTY UTTERBACK
Gannett News Service

"Beep, Beep!"

Wile E. Coyote hasn't chased the Road Runner across a movie screen for more than a decade but he hasn't been forgotten.

We remember him and his cohorts Bugs Bunny, Daffy Duck, Tweety Pie, Yosemite Sam, Foghorn Leghorn and Pepe LePew to name a few of those memorable characters from the old Warner Brothers stable.

WHAT MAKES the Road Runner and his friends so special? You get some clues when you talk to Chuck Jones, the man who lived among those cartoon characters for 25 years during the heyday of the short cartoon.

Those early short cartoons were written for the general movie audience, not just children. Jones said his Wile E. Coyote and Road Runner were actually extensions of himself.

"Children liked Bugs Bunny," Jones said. "They didn't see anything unusual about the Road Runner. To them, all adult behavior is ridiculous."

The characters were drawn with meticulous attention to detail, with up to four times as many drawings as you may see on today's Saturday morning cartoon shows.

IT WAS the high cost of this full animation that caused Warner Brothers to close its cartoon studio in 1962. When that happened, most of those talented artists defected to Saturday morning television, but Chuck Jones decided to turn his talent and humor toward prime time.

He set up his own company and now puts out two or three full-length cartoon shows each year with the same loving care he lavished on those six-minute "Merrie Melodies" and "Looney Tunes."

"I used to think I had to start at the beginning for the discipline of my soul," Jones said. "Now I know you don't have to start at the beginning of anything. I pick a segment that appeals to me and dig in. Then I'm hooked." There are certain ways of looking at life and Jones thinks that holds up learning.

"When you look at a bridge, it's natural to think in terms of how wide it is," he said. "I try to visualize how many fox terriers could trot across it end on end."

Jones is fascinated with signs and he recently did some short segments on signs to be used on Public Broadcasting's reading program, "The Electric Company."

"We react to signs," Jones said. "I did one with the Road Runner coming up to a stop sign in the middle of the desert. He stops. Then he comes to signs that say 'Walk,' 'Skip' and, at the edge of a cliff a sign that says, 'Jump.' As he goes over the cliff he sees a sign that says 'Fall.' Then we cut to the bottom of the cliff where he lands on a trampoline. A sign says 'Bounce.'

Jones thinks signs are marvelous if you read them literally. There's one in his neighborhood for "The Blue Geese Dyers and Cleaners." He observes they offer a highly specialized service — cleaning and dying blue geese.

AFTER YEARS as the unknown alter-ego of his own creations, Jones' contribution is being recognized. Retrospectives of his cartoons were shown recently at the New York Cultural Center and at the American Film Institute in Washington, D.C. A course on them is taught at the University of California's Santa Cruz campus. And author Joe Adamson, who wrote "Groucho, Chico, Harpo and Sometimes Zeppo," is writing a book on Jones' career. Jones is a frequent guest lecturer for college and university film courses.

Jones' next special, "The White Seal," is scheduled March 26 on the CBS network and he has options on two more pieces for CBS.

What he'd really like to do is stage a comeback for the Road Runner, he confided. He's trying to sell Warner Brothers on the idea. Road Runner fans can hope they're listening.

Cartoonist Tells . . .

Why Popeye Is Still a Comic Hero After 43 Years

For 43 years, Popeye has been triumphing over wrong.

"That's the real key behind the success of the comic strip," said Bud Sagendorf (shown photo above) who has drawn the legendary sailor man since 1931.

"Popeye might do some dumb things, but he's always fair and he's always right. He never hits anyone unless they deserve it.

"Children today are awfully confused over right and wrong. They see so many different things on TV that they just don't know what to believe. The news is full of contradictions. Through Popeye, I hope to instill how right overcomes wrong. I don't even see Popeye as a character anymore. I see him as a symbol."

Sagendorf was 17 when he began working on the famous spinach-eating hero. "I had taken four different art classes in high school and flunked every one of them. My luck came when my sister got a job in an art supply store. One of her customers was E.C. Segar who drew a comic strip called 'Thimble Theater.'

"My sister introduced Segar to me and I began working on Popeye, who was one of the characters of the strip. Seven years later, Segar died and I took over the strip. It wasn't called 'Popeye' until the early 1950s.

"Popeye quickly became a favorite character in 'Thimble Theater' because he was such a good fighter. He always ate spinach right from the start. At that time, doctors were saying spinach gave you strength. So it was natural that Popeye should eat it." At work in his Westport, Conn., studio Sagendorf chuckled and confessed: "To tell you the truth, I really don't like spinach."

THE BUYER'S GUIDE
FOR COMIC FANDOM

No brag, just FACT!

TBG makes advertisers very happy.

PROOF:

As always, we don't just wag our tongues about how good advertising response is in The Buyer's Guide, we PROVE IT! Here are some more comments from past satisfied advertisers who know what TBG does for them! Simply by our reputation of being the serious comic collector's magazine your ad is a success. Let TBG do for you what it has done for these advertisers time after time!

★★★★★★★★★★★★★★★★

JOE BRANCATELLI (formerly editor of INSIDE COMICS): "I was frankly overwhelmed at my ad's response. I had to refund well over $1500 because material was sold out."

JOSEPH LANTIERE: "This will be my seventh ad in TBG and if business is normal it will be my seventh very successful ad! For circulation and results, TBG can't be beat!"

IRA DAVIDSON: "I received fantastic response from my last ad in the Buyer's Guide. Out of 2000 comics I have about 100 left. It really did great. I know there is no better place to sell than The Buyer's Guide so here is another eighth page ad."

EARL BLAIR (host of HOUSTONCON): "I certainly believe that there is room in fandom for competition to TBG, but the way some people are going about it is pretty sickening with all of this name calling, etc. Here are 3 pages for ads for the next issue of TBG and check for $120."

ROBERT DeGROFF: "Enclosed is a one quarter page ad. My last ad did remarkably well; I sold everything in the ad! You should be seeing more ads from me in the near future."

GREGORY HODGKINS: "First, let me add my thanks to you with the many others who have placed adds and gotten such a great response. My last ad was a tremendous success. Thanks and GOOD LUCK!"

SHERRY COHEN: "Love your T.B.G.! Last ad I was cleaned out. Thank you!"

ART GUMBUS: "P.S.: My classified has netted me 83 responses and almost $100 in sales."

MOUNTAIN EMPIRE RARITIES: "We sure get good response from TBG and intent to run an ad in every issue."

NORM PARTRIDGE: "Here's an ad for #73, January 1 issue. Hope I'm in time. Was going to put an ad in the N******** J******, but after hearing what happened to Bud Plant with his ad, NO WAY!! I've always had good response from TBG and I'm not ruining my business paying for ads that get no response!!"

BOB JONES: "I was very dubious about advertising in TBG. It is mainly a comic book marketplace and my items were all comic strips. But the results of my first ad were so gratifying, I had to tell you to please add me to your growing list of satisfied advertisers."

STEPHEN HORN: "Enclosed is 1/8 page ad. The others ads brought tremendous response. Your newspaper is #1 and there's no doubt about it."

ERIC KEITH: "My first ad in TBG had a tremendous response. I didn't think people noticed small ads in a big 80-page newspaper, but I was wrong!"

DON GLEASON (DON'S BOOK VAULT): "My ads have been doing real well in the BUYER'S GUIDE and I will hopefully continue to run them as often as I get something together."

DAVID MYSZKA: "Here's an ad I wish to run in #75. I thought I'd try a few of your competitors but they all brought me a total of zero orders!"

HARRY HOPKINS: "Please run the enclosed pages as one half page in the next possible issue. Your ads always produce the most fantastic results!"

Place all your advertising investment where it will give you the best return...right here in The Buyer's Guide.

BUYING PRICES — CARDS — BUYING PRICES

All cards must be mint to receive full buying price. This means no wrinkles, creases, bent corners, scratched surfaces, etc. I will accept cards that are not mint for 1/2 the buying price. Any items on the list may be sent without writing first and you will receive immediate payment. I suggest wrapping the package carefully and sending it 4th class as well as having it insured. If you have cards not listed that you wish to sell, just send a descriptive list and I will make an offer.

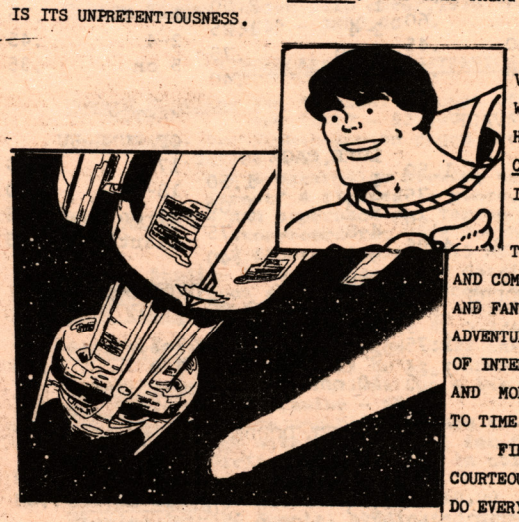
PROTEUS

a personal journal of popular culture

HELLO.

PROTEUS MEANS PEOPLE, FRIENDS TALKING AND WRITING ABOUT THINGS THEY ENJOY, THOUGHTS THEY WANT TO SHARE. PROTEUS IS AT ONCE MELLOW, INCISIVE, FUNNY, SCHOLARLY, INFORMED, AND INFORMATIVE. IT'S LITERATE, ATTRACTIVE, AND READABLE.

PROTEUS IS NOT AN EXPENSIVE ART PORTFOLIO, OR A COLLECTION OF ADS, OR A MAGAZINE FILLED WITH AMATEUR STRIPS. IT WILL HAVE SOME STRIPS, A FEW ADS AND FREE PLUGS, AND A VARIETY OF PROFESSIONAL AND HIGH-QUALITY AMATEUR ARTWORK. YOU WILL NOT READ ANY ARTICLES ON "FREUDIAN PSYCHOSES IN BATMAN #251" IN PROTEUS. THE ONLY THING THE MAGAZINE WILL BE PRETENTIOUS ABOUT IS ITS UNPRETENTIOUSNESS.

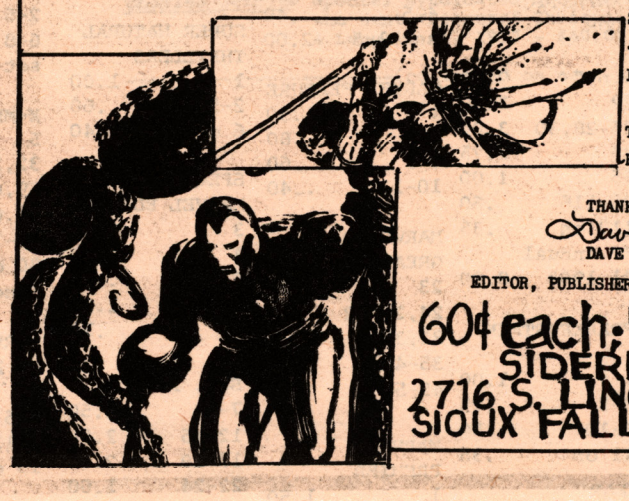


PROTEUS WILL NOT BE FILLED WITH CONVENTION SKETCHES AND TEN-MINUTE INTERVIEWS WITH BIG NAMES. THE FIRST ISSUE WILL, HOWEVER, FEATURE AN INTERVIEW WITH STEVE CANYON ARTIST MILTON CANIFF, PROFUSELY ILLUSTRATED WITH ART BY MR.CANIFF.

THE MAGAZINE WILL HAVE LETTERS, FICTION, REVIEWS, ARTICLES, ILLUSTRATIONS, AND COMMENTS ON COMICS,MOVIES,SCIENCE FICTION AND FANTASY, THE PULPS,TELEVISION, AND MYSTERY/ADVENTURE FICTION, FOR STARTERS. OTHER PIECES OF INTEREST ON OTHER ASPECTS OF POPULAR CULTURE AND MODERN THINKING WILL SEE PRINT FROM TIME TO TIME.

FINALLY,PROTEUS WILL STAND FOR EFFICIENT, COURTEOUS,AND RAPID SERVICE. I WILL, IN SHORT, DO EVERYTHING I CAN TO SATISFY MY READERS AND SUBSCRIBERS. YOU CAN COUNT ON IT --I'M NOT IN THIS TO MAKE MONEY, BUT TO MAKE FRIENDS.

I URGE YOU TO GIVE PROTEUS A TRY. BOTH YOU AND I WILL BE HAPPIER IF YOU DO.



THANKS AND PEACE,
Dave Fryxell

CARL BARKS

Donald Duck Reprints

Contents

THE BEST OF WALT DISNEY COMICS is the title Western has chosen for a series of four reprint books that all collectors know really means "selected works of Carl Barks and Floyd Gottfredson." These books are not being distributed except on a very limited basis and are almost impossible to find anywhere except through mail order. It's my understanding that the print run was small and the series is NOT going to be continued. These four books are destined to become collectors items in themselves. Three are selected stories of Carl Barks' Donald Duck and Uncle Scrooge. The fourth is the complete Bat Bandit adventure of Mickey Mouse, reprinted for the first time from the 1934 daily newspaper strips with color added. The color and printing quality are superb, the paper on high quality stock. The page count of each is 52 pages, including stiff slick covers.

1. Two Carl Barks stories, "Frozen Gold" (from Dell Four Color 62) and "Mystery of the Swamp."
2. Three Barks stories, including "Only a Poor Old Man" (from Dell Color 386) and two other Uncle Scrooge adventures.
3. Two Barks stories, "The Ghost of the Grotto" (from Dell Color 159) and "Christmas on Bear Mountain" (from Dell Color 178, the first appearance of Uncle Scrooge!).
4. The Floyd Gottfredson 1934 Mickey Mouse battle against "The Bat Bandit."

Retail

Each of these four books retails for $1.50 and is available at that price. Please indicate the bock or books you're ordering by description or as numbered above. Add $1.00 for postage, sturdy packing and insurance. One book, therefore, would be $2.50, including postage and handling, or all four would be only $7.00.

Wholesale

Collectors "investor packs" of 24 copies are available, complete with a colorful two-tiered cardboard display stand that measures 17" wide and 22" high when assembled that is included. Mailed in the original carton as packed at the printers, the box contains six copies of each book. Single packs —for a limited time— are being offered, postpaid, for $30.00, or only $1.25 per book.

Dealers quantities of a minimum of four packs, or a minimum total of 96 books (including four display stands) are available for $96.00, postpaid. That amounts to $24.00 per pack, or only $1.00 per book. This price WHILE THE SUPPLY LASTS is offered at direct-from-the-publisher wholesale cost to you, which eliminates the middleman.

TERMS Strips from bound newspaper volumes - generally excellent condition - some early 20's are dry, however. (Any may be returned if not satisfactory) On dailies, number of months listed in parentheses. These are usually 95-100% complete months. Occasionally as low as 92% or high as 125% (You get all extras.) May be returned for this reason also, if you wish. Add 50¢ postage & SASE (Stamps) Canadian List alternates if possible. All offers (even patently ridiculous ones) will be seriously considered about a month after ad appears. Especially on the $1.80 a year stuff - I'll do nearly anything to get rid of it. Will accept lower offers, trade offers for anything saleable or items on my want list, which hopefully I will have room for elsewhere on this list. (If not, I want RECORDS - 50's R&B vocal groups.)

THERE'S A NEW SHOW IN TOWN

JANUARY, 1975 VOL 1 No 1

The Sunday Funnies®

What Is It..

Who doesn't remember devouring that special section of the Sunday newspaper? The section that evoked a sense of wonder in both child and adult alike. . .
The Sunday Funnies!

Come on over and rekindle those nostalgic yearnings, recapture that sense of wonder at "The Sunday Funnies" monthly show.

Featuring over 40 tables chock full of nostalgic treasures from years past. Dealers and collectors from all over New England display such wares as: Old Movie Memorabilia (posters, stills, etc.— Heres where you can find those rare "Bogie" movie treasures), old comic books (ranging in price from 25 ¢ to $1,000), radio premiums, radio shows, newspaper strips, original comic art, political memorabilia (Buttons, photos,etc.) Gum cards, Disney memorabilia and various sorts of fun-tiques.

Also, for all you comicbook freaks, we'll have all the latest comics stocked in depth, along with fanzines and all related items.

We'll also have special guests in attendance at every show, such as Fred Fredericks, the current artist on the popular "Mandrake, the Magician" newspaper comic strip, who will be our guest at the first show on Feb. 9.

He will have a special table displaying his art and he will be glad to answer any questions and

Fred Fredericks

perhaps do a sketch or two! But that's not all—

At every show, we'll be showing over an hour's worth of cartoons, serial chapters, comedy shorts, old TV shows, movie trailers, etc.

Where Is It..

At the new Hotel 57 Complex at 200 Stuart St., Boston. (Just one block away from Park Square). This beautiful 2 year old facility will also be the sight for NEWCON 2, a special three-day convention, to be held October 3, 4, and 5.

How Much Is It..

Here's the best part, one 75¢ admission entitles you to peruse to your hearts content through delightful nostalgic wares, to view films and cartoons from years past and to meet many professional people (such as Fred Fredericks).

NEWCON 2

c Marvel Comics Group

BOSTON OCTOBER 3,4,5

A major comic convention to be held at the new Hotel 57 complex in Boston, Massachusetts. Located right in the middle of Boston proper, this new facility offers all the plusses needed to attract out-of-state attendees: heated pool, putting greens, color TV in every room, attractive decor, etc., – luxury plus!!

As for the convention itself, it is being run by Don Phelps with able assistance from Martin Greim, Bill Devine, Bob Cosgrove, Al Bradford, et al. As fans, collectors and dealers we feel we know what each segment is looking for at a convention. The fan and collector looks for a wide variety of collectibles being offered for sale, a dynamite film show and an attractive guest line-up.

NEWCON 2 offers 100 tables of choice items being offered for sale by the top dealers in the country, a film show featuring a Disney retrospective cartoon festival, and line-up of guests which Martin Greim assures us will be second to none! As for dealers, well, they're apt to be looking for a lot of things and we feel that the following list of assets should satisfy all of their expectations:

- **There are forty-five colleges and universities within a twenty mile radius of Boston. All of which shall be inundated with flyers hyping NEWCON 2**
- **The New England area has a solid core of comic collectors who attend Don Phelps' "The Sunday Funnies" monthly show. They'll be out in full force.**
- **The first night of the con will feature a cocktail party for the media people (TV,Radio and newspapers), ensuring extra publicity exposure.**
- **NEWCON 2 will be featuring a special Disney retrospective featuring everything from a Disney original art exhibit to a special three hour cartoon show. We feel that this facet of the convention will attract a wide cross-section of attendees.**
- **Boston is a mighty attractive vacation site, especially approaching Bicentennial time. We expect a large out-of-state attendance from fans, collectors and dealers.**

All in all, no expense is being spared in preparing a massive publicity build-up. We're shooting for attendance figures in the 3,000 to 5,000 range and, with all we have going for us, we're confident in projecting these figures.

DEALER'S TABLES for the entire three day show cost a very nominal $35 each. ($45 after March 1, 1975).

NOTE: We expect to be completely SOLD OUT of tables by the end of January— DON'T BE SHUT OUT!!

HEY LOOK! BID! 1936 R.O.A. DECODER BADGE! MINT!

DISNEY'S - GOLDEN AGE - MARVELS!

HELLO FANDOM! Thanks to everyone that helped to make my last ad a sell-out! This time I offer some nice Disney books that are priced to go. Also offered are some prime Golden Age materials, and of course, a few Marvels and D.C.'s. Please enclose 50¢ for postage on each order. 10¢ extra if you want insurance. A S.A.S.E. will promise fast filling of your order. I use standard grading symbols. Some of the Disneys are subscription copies and are denoted by SC. Most of the subscription folding is barely noticeable, but it's still a defect, so prices are lowered considerably. Thanks, and Order soon! SEND ORDERS TO--

ORIGINAL ART

Normally I don't like bid items HOWEVER...

I have what I consider to be an extremely rare page of original art done by Mac Raboy depicting Capt. Marvel Jr. in all of the panels and he is battling Capt. Nazi! It is the last page from the story in Master 27. as far as I know it is the only Raboy Capt. Marvel Jr. art in existence (anyone knowing of any other let me know), and in any case I doubt there is a better more action filled page around. There fore I am asking as a minimum bid

$1,000.00.

All bidding will end 30 days after this ad appeares.

I am now considering offers for these rare and beautiful books

WDC&S 1-4

WALT DISNEY'S COMICS AND STORIES #1 VFn-Nm, Subscription Fold, tiny piece off left bottom corner of back cover. Cover has original color and brightness and pages are white.
#2,#3,#4 (all in same condition) Subscription Fold, VFn-NM, white pages, cover bright and beautiful.
V2#6 NM-... " " " " " (no Sub. Fold)

Silver Streak 6,7,8

SILVER STREAK #6 (Origin of Daredevil) Near Mint-has tiny piece off lower right hand tip of front cover. White pages; cover has original color and lustre.
#7 Incredibly near mint...looks like it was never opened. Fabulous Daredevil Vs. Claw cover.
#8 Approximately same condition as #7.

I wish all interested persons could see the almost unbelievable condition of these Silver Streaks...I guarantee any buyer will be overwhelmed by the appearance.

....now...here's the situation on the WDC&S's and SILVER STREAKS..guide book prices on these fantastic books are completely outdated and I refuse to set a price on them at this time....but I will carefully consider any offer on any book individually or each title as a set. I am not setting any time limit; I will simply make a deal when the offer that seems right comes along. A bidding situation might arise, and if it does, I'd like to consider calling (collect) parties involved. Obviously, I reserve the right to turn down any offer or bid (I wouldn't mind having these books around). A CASH DEAL is greatly preferred, but I'm not saying I couldn't be tempted by the right partial cash and partial trade deal. My greatest needs are Spirit Sections, Police, Plastic Man, DC's from the 40's (especially Superman, Batman, Action and Detective in retail price ranges of $10-$50), Capt. Marvel Jr. #1, Playboys before 1965, Dick Tracey, Frazetta and Barks original art, early Marvels (Fantastic Four, Spidey,etc.), Conan.(I'll consider any good collectible books) LET ME HEAR FROM YOU

ONCE IN A LIFETIME...IT'S WHAT WE'RE ALL LOOKING FOR...I found it; the most beautiful group of comic books I've ever seen. It've just bought this group of books from a collector who bought them off the newsstand as a boy in the fabulous golden age of comics. What method of storage he used, I don't know, but the preservation of these books in their original condition is beyond belief...I've never seen such brightness of color or whiteness of pages in books this old. The group of Silver Streaks and WDC&S listed elsewhere in this ad were part of the group....here are the rest. Any defect described here (slight spine roll or small tear, etc.) does not take much away from the fantastic beautiful effect of any individual book. BUY THESE-YOU'LL LOVE 'EM. ....and since I got such a good buy, they're priced at Overstreet Guide (and that's a year old now...I don't think you'll find such fantastic books at these prices anywhere else) (Note: what I call NM, many people would rate mint)

George Evans' illustrations for "House of the Monoceros"—one of more than 30 full page drawings in FAR LANDS OTHER DAYS!

CARCOSA PROUDLY ANNOUNCES:

FAR LANDS OTHER DAYS by E. Hoffmann Price
With Illustrations by George Evans

Carcosa, whose first publication--WORSE THINGS WAITING by Manly Wade Wellman, with illustrations by Lee Brown Coye--has been hailed as one of the most outstanding fantasy volumes of the past decade --and one of the biggest bargains the field has seen--now announces its second offering in the Carcosa series of luxury limited editions:FAR LANDS OTHER DAYS, a mammoth collection of the best fantasy and adventure stories of E. Hoffmann Price, with over 30 full page illustrations and a full color dust jacket by George Evans.

E. Hoffmann Price--One of the last surviving members of the original WEIRD TALES circle of fantasy greats --later one of the top adventure writers in the field. E. Hoffmann Price--Soldier-of-fortune, astrologer, Orientalist, and fictioneer. Price, a major name in the Pulp Era and well known today for his reminiscences of famous colleagues and friends such as Robert E. Howard, H.P. Lovecraft, Clark Ashton Smith, Otis Adelbert Kline, Farnsworth Wright, Hugh Rankin and countless other legendary names, now presents 31 of his best fantasy and adventure stories--along with a new 6000-word foreword that gives Price's unexpurgated reminiscences of his own career along with candid appraisals of his colleagues.

FAR LANDS OTHER DAYS--31 tales of wonder, terror and adventure--carefully chosen from Price's more than 500 published stories. 31 gems selected from rare and legendary pulps such as WEIRD TALES, STRANGE STORIES, GOLDEN FLEECE, STRANGE DETECTIVE STORIES, ARGOSY, SPICY MYSTERY STORIES, SPEED MYSTERY, SHORT STORIES, TERROR TALES and others. Virtually none of these have ever been reprinted. Three years were spent in collecting these scarce stories, searching through some of the top pulp collections in the world. Current market value of the pulps represented here is well over $600--if they were available!

These are not "newly discovered" bottom-of-the-barrel scrapings or unsold duds, but the cream of half a century of writing by one of the genre's greatest authors. Here you will meet some of E. Hoffmann Price's most popular series characters: Pierre d'Artois, French occultist and master of the blade; Ismeddin the Darvish, rogue and mystic; Glenn Farrell, brawling adventurer; Davis Landon, doomed soldier-of-fortune. Here are tales of individual courage, of determined men striving to reach personal fulfullment--such as "Allah Sends a Reaper" and "Vengeance in Samarra". Here are tales of chilling sorcery and desperate fear--such as "The Word of Santiago" and "Web of Wizardry". Over thirty tales of fantasy and adventure in exotic lands and another age, of characters ordinary and extraordinary, of tongue-in-cheek whimsey and of stark tragedy.

Featuring a full color dust jacket and over thirty full page illustrations by top professional artist, George Evans. Evans, who moved from the Fiction House stable to become one of the stars for E.C., went on to draw the TERRY AND THE PIRATES dailies for the last dozen years of that famous adventure strip's life, and now draws for D.C. Evans' finely detailed artwork brings Price's exotic adventure stories to life in the great tradition of the magazine illustrators of the '20s and '30s. Not since the glory years of BLUE BOOK has there been such a merger of top quality adventure fiction and illustration!

FAR LANDS OTHER DAYS will be similar in format to Carcosa's WORSE THINGS WAITING, acclaimed as one of the most handsomely produced books the fantasy field has seen: Journal Roman on deluxe book paper, black Arrestox binding cloth with Carcosa's distinctive red spine stamping and red endpapers, close to 600 pages in the larger 9 x 6 format, in a limited first edition of 2000 copies. At over 250,000 words and over 30 full page illustrations, FAR LANDS OTHER DAYS will be one of the largest fantasy volumes ever published! Don't miss this one!

SPECIAL BONUS FOR ADVANCE PURCHASE!

A special bookplate featuring an Evans drawing and autographed by both E. Hoffmann Price and George Evans will be affixed to all prepaid advance orders. This special edition will beavailable only by advance purchase. The book has been at the typesetter since December, and even with today's naggingly slow production, don't take a chance. Price is set at $15.00 prepublication, but this may go higher on publication. So order now if you want to reserve this special autographed edition for your collection--and at this price!

BLACK SABBATH-BLACK SUNDAY

TWO CLASSIC HORROR FILMS FROM EUROPE. DIRECTED BY MARIO BAVA WHOSE VIVID GRAPHIC STYLE ACHIEVES AN ALMOST UNRECOGNIZED BRILLIANCE. THE THREE PART "BLACK SABBATH," AN ADAPTATION OF ANTON CHEKOV'S "A DROP OF WATER," REACHES PEAKS OF HORROR TO EQUAL ANY IN THE ANNALS OF FILM.

THE HAUNTED PALACE

ROGER CORMAN AND VINCENT PRICE MEET H. P. LOVECRAFT - A FINE HOW DO YOU DO.

THE RULING CLASS

PETER O'TOOLE STARS IN AN INSANE COMEDY THAT ATTACKS EVERYTHING; EXTREMELY CRAZY FUN.

SOYLENT GREEN

THE ALL TIME PESSIMISTIC FUTURISTIC SCIENCE FICTION FILM - TREMENDOUS EFFECTS & CHARLTON HESTON.

SAMURAI SPY

(Tentative) JAPANESE STYLISTIC ACTION FILM; MARTIAL ARTS LIKE HOLLYWOOD & HONG KONG HAVE YET TO COMPREHEND.

THEM

JIM ARNESS & JAMES WHITMORE VS. GIANT ANTS. STANDS ALONGSIDE THE OTHER FEW 1950 SCIENCE FICTION CLASSICS. EXCELLENT SPECIAL EFFECTS.

THE PRESIDENT'S ANALYST

JAMES COBURN STARS IN ONE OF THE GREAT BLACK COMEDIES; GOOD. FOR MORE THAN A FEW LAUGHS.

THRONE OF BLOOD

JAPANESE MACBETH. SUPERB CINEMATOGRAPHY FROM JAPAN'S LEADING DIRECTOR, KRUOSAWA. THE COMBINED DEMENTS OF THE SUPERNATURAL AND THE SAVAGENESS OF THE SAMURAI MAKE THIS ONE HELL OF A FILM.

KING KONG

(UNCUT) IF YOU'VE NEVER SEEN IT, YOU'RE MISSING ONE OF THE ALL TIME GREAT AMERICAN FILMS.

THE FABULOUS BARON MUNCHAUSEN

THE BARON, IT SEEMS, WAS THE WORLD'S BIGGEST LIAR. THESE ARE HIS STORIES COMBINED WITH VERY BEAUTIFUL AND UNUSUAL ANIMATIONS.

END OF AUGUST AT THE HOTEL OZONE

AFTER WORLD WAR III - NO MORALS - NO LECTURES. A BEAUTIFUL FILM WITH A TWIST.

EYES OF HELL

3 D! A SUPER HORROR MOVIE. VERY WEIRD.

EXCLUSIVE PUBLISHERS OF FANTASTIC LIMITED EDITION FANTASY PORTFOLIOS BY THE WORLD'S GREATEST ARTISTS!

A Treasury of Fine Art

We've gathered the Greatest Fantasy Artists of our Time to illustrate their finest linework for an exclusive series of limited-edition Fantasy Art Portfolios of the finest quality and highest caliber possible. Each of the below described portfolios features six 15"x11" pen and ink drawings impeccably reproduced onto heavy stock, brilliant white bristol paper. Each plate is printed on one side of paper, making the entire set suitable for framing. Only the finest of Printing methods are applied to give each print the texture and appearance of original artwork. While our superior printing process adeptly complements and adds lustre, it clearly displays the slightest of detailed lines with superb accuracy.

A Strictly Limited Offer

Each portfolio in the series will be produced in the extremely limited edition of only 1,000 copies per set. All artwork is new and previously unpublished material executed exclusively for MIDDLE EARTH and especially for this special series. To be sold on a first-come, first-served basis, only the first 1,000 collectors per portfolio to order will ever have the chance to obtain these fine sets at such low prices. Upon completion of the series, all printing plates will be destroyed to preserve the integrity of each edition.

The Closest Thing to Original Artwork

To further enhance this series, each artist will personally sign and number the entire print run of his portfolio, thereby adding to the originality of each set. No two can be alike. Aside from this major feature, each portfolio will:

- Be of the same superior quality famous in all MIDDLE EARTH products.
- Be presented in its own illustrated envelope and dust wrapper.
- Contain a Certificate of Authenticity as to Registration.
- Be individually serially numbered.
- Be accompanied by a descriptive letter of comment from Artist and Publishers.
- Be mailed flat between two sheets of 200 lb. stock cardboard in a padded mailing bag which is insured against damage or loss.

And, in addition, all advance orders receive within 14 days of ordering, an Air-Mail Confirmation invoice stating which of the signed and numbered portfolios you'll be receiving.

Remarkable Investment Potential

Leading Original Art Dealers and investment advisors are predicting continuing increases in the price of original artwork and limited edition prints. Consider too, that the value of these artists' work has risen dramatically over the years, and has accelerated sharply only recently. Many of these artists' original linework pieces have sold in fine art galleries for over $500.00! To share in the excitement of acquiring this superb, authorized Fantasy collection – one both beautiful and relevant – you must act immediately. Your order can only be accepted if it is received in time to be included within the edition limits. Order your sets today!

ROBERT E. HOWARD'S

10 Greatest Characters Memorial Portfolio

FULL COLOUR PRINTS BY BARRY SMITH

BARRY SMITH is the graphic arts' foremost Fantasy artist. His art has won many major awards along with world-wide recognition. He was nominated as Best Artist, Dramatic Division, 1971 & 1972 by the Academy of Comic Book Arts and also as Favorite Comic-Book Artist, 1972 by the Fan Art Awards. He is the only artist ever to receive such high acclaim and vast popularity in so short a time. And his original art pieces may only be seen displayed in the finest graphic art collections of the world.

ROBERT E. HOWARD'S 10 GREATEST CHARACTERS MEMORIAL PORTFOLIO

Now, Barry is working on one of the most important collections of his career – ROBERT E. HOWARD'S 10 GREATEST CHARACTERS MEMORIAL PORTFOLIO – a series of 10 extremely exquisite Full Colour finely detailed watercolour illustrations of the finest calibre possible. All artwork is new and previously unpublished material, done exclusively for MIDDLE EARTH. Robert E. Howard's work has been a constant source of entertainment for Sword & Sorcery purists for more than 50 years. ROBERT E. HOWARD'S 10 GREATEST CHARACTERS MEMORIAL PORTFOLIO is Barry Smith's personal Artistic tribute to this fine master. It will be issued as a series of individually signed and numbered prints which may well be the most important collection of Science Fiction/Fantasy Art ever published.

METICULOUS DETAIL, BRILLIANT COLOUR

Barry Smith takes hours – sometimes days – to complete a single illustration. For he works in the classic "ART NOUVEAU" style of fantasy art – a style not many can master. Each delicate pen line and brush stroke is applied with the greatest of care – so that the precise design, shades and textures are built up gradually. This technique is slow and painstaking. It requires meticulous, delicate pen and brush work – but the final result of the finished work comes alive with vibrant hues and outstanding brilliance. Each print has an extra-ordinary quality that is comparable only to that of the original artwork itself. All prints in the collection will be a full 15"x11" size clearly displaying the slightest of detailed lines and finest of brush strokes with superb accuracy. Each print will be on heavy stock, brilliant white matte finish bristol paper which adeptly compliments and adds lustre to all the prints in the collection.

THE GREATEST ASSEMBLY OF HEROES AND VILLAINS IN ONE COLLECTION

The complete collection will consist of ten works of art, depicting the finest of Howard's characters. The listing below indicates how Barry Smith plans to group the prints, but not necessarily the order in which the prints will be issued.

CONAN THE CIMMERIAN • KULL THE KING • BRAN MAK MORN • SOLOMON KANE • TURLOGH O'BRIEN • BELIT • VALERIA OF THE RED BROTHERHOOD • THULSA DOOM • THOTH AMON • KING CONAN

INDIVIDUALLY SIGNED AND NUMBERED PRINTS

ROBERT E. HOWARD'S 10 GREATEST CHARACTERS MEMORIAL PORTFOLIO collection will be produced by the same superior process that MIDDLE EARTH is famous for. Only the finest of printing methods are applied to insure complete graphic excellence throughout. Each print will be personally approved by Barry Smith. Only then will he individually hand sign and number each print for the private collection of each subscriber. When we accept your Subscription Application, a serial number for this collection will be permanently registered in your name with The Office of the Registry of MIDDLE EARTH. Each print in your collection will be produced expressly for you, with a serial number to which no other collector is entitled. You can well imagine the importance of being able to acquire a certified collection of 10 fine art prints that bear – each and every one – your own personal serial number – personally signed and numbered by Barry Smith.

ORIGINAL ART:

BARRY SMITH: AVENGERS 100. PAGE 19

BARRY SMITH: CONAN 14, PAGE 16
WHAT CAN I SAY? BID MINIMUM $150.00

BARRY SMITH: CONAN 14, PAGE 3
ONCE AGAIN, SOME NICE ART, BUT, APPARENTLY A PERSON WHO WALKS AROUND IN A VERY UNCOMFORTABLE POSITION FOLDED THIS PAGE IN HALF, TOP TO BOTTOM. BUT THE FOLD IS NOT TOO BAD, IT CAN BE FOUND ONLY UNDER CLOSE SCRUTINY AND IS EVEN HARDER TO FIND WHEN UNDER GLASS. ALTHOUGH THE MINIMUM BID IS LOWER THAN THE OTHER PAGE, REMEMBER THIS IS STILL A VERY NICE PAGE, POSSIBLY NICER THAN THE OTHER ONE. BID MINIMUM $135.00

BERNIE WRIGHTSON: HOUSE OF MYSTERY 191, PAGES 27-29
THE ORIGINALS ARE MUCH NICER THAN THE PRINTED VERSION, ITS A THREE PAGE STORY, AND ONLY AVAILABLE AS SUCH, SO DON'T EVEN ASK ME TO BREAK IT UP. BID MINIMUM $325.00

STAR*REACH #2 This magazine is due to be out by the end of February. Cover will be by Neal Adams, with stories by Frederich/Giordano, Lee Marrs, Starlin, Skeates and more. $1.00

Monsters by Wrightson... He really did outdue himself with this beautiful, over-sized publication. If you are into Wrightson or horror or just great art it is well worth the price. $4.00

Weird Tales I doubt if there is any pulp in history which can boast the heritage of WT. I have a few copies of the revived WT, issues Winter 1973, and Summer 1974. $1.00 each

Best of Walt Disney These four beautifully bound and printed books reprint a 1934 Gottfredson Mickey Mouse, and lots of Barks including "Frozen Gold", "Ghost of the Grotto", "Only a Poor Old Man", and Scrooges first appearance in "Christmas on Bear Mountain". For the hard core Disney freaks or people like me who only grew up with the Ducks, the price is right. all 4 books $6.00

1 Satisfaction guaranteed on all items or return within 5 days for full refund. There is nothing that irritates me more than to receive comics in a lesser condition than what I paid for. I intend to grade my items fairly and meticulously, and mention significant defects. If I happen to miss anything, please be sure to let me know so I can rectify things. Don't be surprised if my grading is better than what your used to in a lot of instances. By the time this ad appears, I will belong to the WSA.
2 Payment must be by postal money order or cashier's check. Postage and handling is 75¢, insurance 25¢ if desired. Enclose 10¢ stamp for confirmation or to issue refund. Alternates appreciated, but not necessary. All comics wrapped with care and shipped within 24 hrs. in heavy duty plastic bags and cardboard fillers. Complimentary comic (while they last) to all who order from me. Prices are per book.

I The following comics are quite special. They are all in clean, prestine newsstand mint. They were specially selected and kept in drawers. The only thing is that most all of them bear a newsstand mark on the cover. The marks are not large or defacing, but neat and not too obvious. They usually appear at the top or within the title, and are a letter followed by two numbers. If you don't mind the marks, they are a great buy. Unmarked issues are underlined.

Nova 1

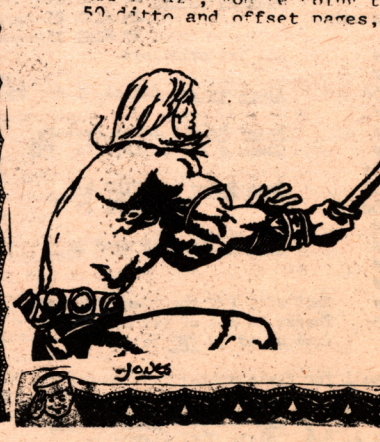
is on sale NOW! This amateur fanzine has been under preparation for months now and features 50 pages of comic-oriented articles, artwork, and SF. This, the first issue features the art talents of Frank Cirocco, Michael Sanders, Jim Chadwick, Phil Griffis, Larry Johnson, and Ted Jones. The article writers include Jim Crawford (the president of the Sawyer Comic Club) Jim (*PPSHZT!) Main, Steven Alan Pennett, and Keith (Comic-Log) Beamer. There is also a great short fiction story,"The Brains" by Steve (Mantra) Keeter, plus two shorter stories by Jim Crawford and Joel Wood. There is even some stiff poetry by the intellectual Tony Stevens!

Topping off the issue is an exiting strip entitled "Sweet Gwendy Lives!" written by the masterful Steve (Bulldog) Kristiansen, and illustrated by the talented Michael Sanders. This is the story that explains how Gwen did not die in that story we all know so well. This is a must for all Marvelites!

Some of the other articles within are: Censorship & the EC Tradition, Marvel Comics: Overkill?, an article on why Star Trek will always live, A Look into the Atlas-Seaboard line, Comic Book Post-Mortems, Marvel & DC--At War!, Comics & Education, Starting Your own Comic Club or Store, Comic Collecting Does, The *PPSHZT! Story, A Comic Quiz, A Comic Word Find, Confessions of a Fan Editor, and MORE!

All in all, you're going to get all of the above jammed into 50 ditto and offset pages, crowned by a beautiful cover by Frank Cirocco, all for a measly 40¢. That's not much to lose, people. I've already lost quite a bit on this venture, and 40¢ is just enough to get me started on the next issue.



The next issue promises the level of quality from the first, plus some! I plan to have an interview with Doctor Fredric Wertham plus a review of Seduction, and my co-editor hopes to have an interview with Stan Blair, and many, many more great articles. Watch for it!
